## **CAPACITY DEVELOPMENT AND SKILLS ENHANCEMENT INITIATIVES**

Capacity Development and Skill Enhancement Initiative means a course that enables the students to enhance their practical skills and ability in particular areas. These Programs focused around training that combines the best practices from education, psychology, health, social work, career counseling, sports, and technology training of the students and provide value-based or skill based knowledge. The main purpose of these programs is to provide students with life-skills in the hands on increase their employability. Keeping all these factors in mind our Institute also organized some capacity building programs to develop students' capacity and to enhance their soft skills. These programs are as follows:

### **1. Soft skills**

Soft skill training tend to ensure development of student's soft skills including attitude, communication, creative thinking, work ethic, teamwork, networking, decision-making, positivity, time management, motivation, flexibility, problem-solving, critical thinking, and conflict resolution. In our Institute some Soft Skill Enhancement Programs are organized for the students to enhance their presentation skills, communication skills, inter-personal skills, team building, emotional intelligence and decision making. Induction program is conducted regularly in the beginning of every academic year for the freshers. Lectures are delivered on motivation and personality development by eminent people from institutions. Soft skill development is a part of the regular curriculum in our institute.

### **2. Language and communication skills**

The objective of such program is to enable students to attain fluency and proficiency in professional communication and to meet the growing demand in the field of global communication. It enables students to improve their lexical, grammatical and communicative competence through the self-instructional, multimedia and language learning software.

It helps the students to acquire their ability to speak effectively in real life situations. Communicative English is a part of the regular curriculum for enhancing students' communication skill.

### **3. Life skills (Yoga, physical fitness, health and hygiene)**

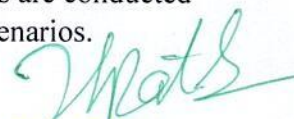

Our institution organizes regular yoga and meditation classes for students and faculty members in order to enhance their physical and mental health. Every year International Yoga Day is celebrated in the institution. Trained yoga instructors called by the department of Sports and they conduct both theoretical and practical aspects of yoga for students and faculty members. The sessions are conducted in the Auditorium hall and College ground. In the same program they also give tips and advices for physical fitness and hygiene.

### 3. ICT/Computing Skills and Awareness of Trends in Technology

The technological advancements in the real world impose the students to aware about the utilization of new technologies. The curriculum is revamped yearly once to incorporate the courses with respect to awareness of the trends and current skill requirements. Core competence is also the prime focus in the design of the curriculum which directly influences the competency developed by the students for core industry. Curriculum is enriched through value added courses conducted by the Department of Computer. In addition, the students are able to aware the current trend technologies by the following ways.

- Guest lectures are conducted for the students by eminent personalities from academic and industries. Students understand the current technology and demand.
- To enhance the practical knowledge in real world, students are encouraged to go for industrial visits at least 2 times per semester.
- Seminars, Workshops, Hand-on trainings, Hackathons, webinars are conducted
- Industry based projects are arranged to realize the real-world scenarios.

**Name of the Value-Added Program: Basic Instrumentation and Circuit Design in Science**

**Session: 2019-20**

### **SUMMARY**

The Value Added program has been conducted by the Department of Physics / Electronics as per the order given by the principal of D. P. Vipra college on 13.09.2019. The name of this program is "Basic Instrumentation and Circuit Design". The students of B.Sc. III participated in the said program. The objective of this program is to make the student an important part of the syllabus of competitive examinations, physics and electronics. The preparation for Basic Instrumentation and Circuit Design is to be done so that the student can get the best position by passing the competitive examination. The duration of the said program was The said program was conducted by Dr. Vivek Ambalkar and Prof. Nidhish Chaubey and the work of teaching in the above program was accomplished by Prof. Bhagwat Kaushik, Prof. Sapna Mishra, Prof. Varsha Rani Dubey.

After the completion of the course under the program, the registered students were assessed through project (Assignment). At the end of the said program, the registered students were given certificates. The said program has achieved its definite and targeted objective.

SESSION:2019-20

Question paper

Time: 1-hour

Maximum Marks: 50

**NOTE: Tick the correct answer. Each of the Questions contained Two Marks.**

1. A semiconductor is formed by ..... bonds.

- A. Covalent
- B. Electrovalent
- C. Co-ordinate
- D. None of the above

2. A semiconductor has ..... temperature coefficient of resistance.

- A. Positive
- B. Zero
- C. Negative
- D. None of the above

3. The most commonly used semiconductor is .....

- A. Germanium
- B. Silicon
- C. Carbon
- D. Sulphur

4. The LEDs made with GaAs emit light in the

- A. Yellow region
- B. Infrared region

- C. Orange region
- D. Red visible region

5. Light emitting diodes emits light when it is in \_\_\_\_\_

- A. forward biased
- B. reverse biased
- C. zero biasing
- D. infinite biasing

6. LEDs are used in \_\_\_\_\_

- A. visual display
- B. decorative lamps in photo frame
- C. both 'a' and 'b'
- D. neither 'a' nor 'b'

7. In a Zener diode with high breakdown voltage

- A. Both and N are heavily doped
- B. Both P and N are lightly doped
- C. Either P or N is lightly doped
- D. None of the above

8. In Zener diode, the Zener breakdown takes place

- A. Above 6 V
- B. Below 6 V
- C. At 6 V
- D. None of the above

9. Zener diode when biased correctly

- A. Acts as a fixed resistance
- B. Never overheats
- C. Has a constant voltage across it.
- D. Has a constant current passing through it

10. A transistor has .....

- A. one pn junction
- B. two pn junctions
- C. three pn junctions
- D. four pn junctions

11. The number of depletion layers in a transistor is .....

- A. four
- B. three
- C. one
- D. two

12. The base of a transistor is ..... doped

- A. heavily
- B. moderately
- C. lightly
- D. none of the above

13. In a pnp transistor, the current carriers are .....

- A. acceptor ions
- B. donor ions

C. free electrons

D. holes

14. The binary equivalent of the decimal number 10 is \_\_\_\_\_

A. 0010

B. 10

C. 1010

D. 010

15. The gate is either \_\_\_\_\_

A. A NAND or an EX-OR

B. An OR or an EX-NOR

C. An AND or an EX-OR

D. A NOR or an EX-NOR

16. The NOR gate output will be high if the two inputs are \_\_\_\_\_

A. 00

B. 01

C. 10

D. 11

17. If the resistance in parallel with a parallel resonant circuit is reduced, the bandwidth

A. Disappears

B. Becomes sharper

C. Increases

D. Decreases

18. To tune a parallel resonant circuit to a higher frequency, the capacitance should be

- A. Increased
- B. Decreased
- C. Left alone
- D. Replaced with inductance

19 In a parallel *RLC* circuit, the smaller reactance determines the net reactance of the circuit.

- A. TRUE
- B. FALSE

20. Ohm's law is applicable to

- A. Semiconductors
- B. Vacuum tubes
- C. Carbon resistors
- D. None of these

21. Correct form of ohm's law

- A.  $I = VR$
- B.  $V \propto I$
- C.  $V = IR$
- D. Above B and C

22. Ohm's law in point form in field theory can be expressed as

- A.  $V = RI$
- B.  $J = E/\sigma$
- C.  $J = \sigma E$
- D.  $R = \rho l/A$

23. What do you mean by transistor?

- A. a semiconductor device
- B. current
- C. voltage
- D. None of these

24. Zener diodes are also known as

- A. voltage regulators
- B. Forward bias diode
- C. Breakdown diode
- D. None of the mentioned

25. Zener diodes can be effectively used in voltage regulator. However, they are these days being replaced by more efficient

- A. Operational Amplifier
- B. MOSFET
- C. Integrated Circuits
- D. None of the mentioned

### TRAINING PROGRAMME FOR FACULTY

<b>Course Title</b>	:	Microsoft Office: An Essential Skills
<b>Course Coordinator</b>	:	Prof.RichaHanda
<b>Instructor(s) of the course</b>	:	1. Prof.Vishwas Victor 2. Prof.Anupama Pandey 3. Prof.Brijesh Kumar
<b>Duration of the Course</b>	:	1 Week (24.06.2019 to 29.06.2019)
<b>Mode of Examination</b>	:	MCQs

#### **Objective of the Course:**

Identify the Windows screen elements and parts of a window, Resize, Move, and Scroll windows, Maximize, Restore, Minimize, and Close windows, Create, Copy, Move, Rename, and Delete files, Find files and folders, Compress files, Use the Help system, Use the Windows operating system to practice performing common tasks.

In Microsoft Word lessons you will learn how to format text with fonts and colors, use bullets and indents, customize the Quick Access Toolbar, insert pictures and screenshots, set up page layout for margins and printing and much more.

In Microsoft Excel lessons you will learn how to use math, statistical, logic and text functions, organize data by sorting and filtering, effectively present your data in several chart formats, find a value with VLOOKUP, create and format Pivot Tables, record basic Macros and more.

In Microsoft PowerPoint lessons you will learn to use themes and layouts, adding animations, and printing, reusing, and copying slides, add audio visual components to your presentations, and much more.

In Microsoft Outlook lessons you will learn tips and tricks for sending and organizing email, reducing inbox clutter, plus how to manage your calendar, contacts and tasks to maximize efficiency.

**Course Outcome:** After completing this training programme, employees will be able to-

- \* Work with the basic features of Windows.
- \* Work with the basic features of Microsoft office Suite.
- \* Display documents using various views.
- \* Select and work with text in a document.
- \* Use a range of font formatting techniques and Format paragraphs.
- \* Work effectively with features that affect the page layout of your document.
- \* Examine spreadsheet concepts and explore the Microsoft Office Excel environment.
- \* Modify a worksheet and workbook and learn to use functions and formulas.
- \* Identify the names and functions of the PowerPoint interface.
- \* Format presentations and use design layouts and templates for presentations.
- \* Handle information overload.
- \* Implement time saving features such as Rules and Search.
- \* Manage your mailbox more efficiently (Flags, Folders, Filing)
- \* Use Calendar to better pan your time and meetings.
- \* Use Tasks to manage To Do's and Projects.

### **Outline of the Course:**

**Module 1-Windows OS & Basics of Internet:** Windows, versions of windows, This PC, Desktop, Icons, shortcut, start menu, programs, date and time, task bar, task bar icon, software and driver installation, control panel, user accounts, network setting, manage known networks, Ethernet, airplane mode, firewall, internet, web, browsers, search engine, internet applications, internet software.

**Module 2- Word:** Introduction, parts of the main window, creating a new document, saving a document, reloading a document, working with text: basics, selecting text, finding and replacing text, hyphenating words, using autocorrect, using word completion, changing the case of selected text, formatting text, formatting pages, printing, exporting, emailing, signing, working with styles, working with templates, images and graphics, lists, tables, mail merge, master documents, customizing word.

**Module 3- Excel:** Spreadsheets, sheets and cells, creating, opening and saving spreadsheets, password protection, working with columns and rows, entering, editing and formatting data, creating charts and graphs, using and templates, using images and graphics, printing, exporting, emailing, using formulas and functions, using pivot tables, data analysis, linking data, sharing and reviewing spreadsheets, macros, setting up and customizing.

**Module 4- PowerPoint:** workspace views, creating presentations, running a slide show, presenter console, master slides, styles, templates, adding and formatting text, adding and formatting images, managing graphic objects, formatting graphics objects, OLE, spreadsheets,

charts, adding and formatting slides, notes, comments, handouts, slide shows and photo albums, saving slide shows, printing, printing, emailing, and exporting, setting up and customizing PowerPoint.

**Module 5: Outlook:** Setting up and customizing email account, customize quick access bar, create Email, delete Email, formatting text, include attachments, subjects, To, Cc, Bcc, Send, working with table and images, manage address book, spelling and grammar, Outlook data file: Inbox, Drafts, Sent Items, Outbox, working with templates.

## NOTICE

### CREATIVE WRITING VIA ONLINE MODE (SECTION-I)

It is to inform to all the students of B.A. Part-I that the Department of English is going to organize an Online Value-Added Program in "Creative Writing Via Online Mode (Section-I)" from 01/03/2021 to 26/03/21. It will be a great opportunity for those students who want to develop their writing skills through Creative Writing.

The interested students can enroll their names by 25/02/2021 to the program coordinator Dr. S.K. Tiwari on his WhatsApp No. 9300312013

Details of the Online Value-Added Program: -

**Mode of examination** : MCQ

**Objective of the Program:** This program will focus on expressive writing in many different forms. The students will get an opportunity to express several different types of poetry and prose styles, as responding to Literature. The purpose of this course is to encourage students to read and write poems, plays, short stories, novels, news, comic strips, children's books, autobiography, essay and other types of writings that express creativity and to make them acquainted with basic concepts in literary writing.

**Note:** E-certificates will be given to all the participating students.

**SUMMARY**

As per the notice released on 1st February, 2021 by the Principal of our college, a 42 hours Value Added Program named "Creative Writing Via Online Mode" was conducted by the Department of English from 01/03/2021 to 26/03/2021 in which total 458 students (from B.A. Part-I and M.A. English Previous and Final) were enrolled and these students were divided into two sections (I & II). 220 students from B.A. Part-I were kept in Section-I out of these 220 students completed the program and appeared in the exam held on 26/03/2021. All the appeared students got E-certificates.

This program was focused on expressive writing in many different forms. The students got the opportunity to express several different types of poetry and prose styles, as responding to literature. The purpose of this program was to encourage students to read and write poems, plays, short stories, novels, news, comic strips, children's books, autobiography, essay and other types of writing that express creativity and to make them acquainted with basic concepts in literary writing.

The classes were taken by Dr. O.R. Sinha and Prof. Anju Halwai. After the completion of the program MCQ based exam was taken to examine the progress of the students and after that the certificates were distributed to all the students who appeared in the exam. In this way this course was proved to be very effective and useful for the students.

Question Paper

Time : 2 hour

Maximum Marks: 60

NOTE: Tick the correct answer. Each of the question contains two marks.

**1. Who is the person with which the main character has conflict?**

- a. protagonist      b. bad guy
- c. antagonist      d. principal

**2. What is the tone of a story?**

- a. The setting      b. The word choice
- c. Author's feeling toward the story
- d. Reader's feelings toward the story

**3. What are the elements of creative writing?**

- a. Character, setting and language.
- b. Plot, structure and action.

### **SUMMARY**

As per the notice released on 1st February, 2021 by the Principal of our college, a 42 hours Value Added Program named "Creative Writing Via Online Mode" was conducted by the Department of English from 01/03/2021 to 26/03/2021 in which total 458 students (from B.A. Part-I, Part-III and M.A. English Previous and Final) were enrolled and these students were divided into two sections (I & II). 238 students from B.A. Part-III and M.A. English Previous and Final were kept in Section-II and all students completed the program and appeared in the exam held on 26/03/2021. All the appeared students got E-certificates.

This program was focused on expressive writing in many different forms. The students got the opportunity to express several different types of poetry and prose styles, as responding to literature. The purpose of this program was to encourage students to read and write poems, plays, short stories, novels, news, comic strips, children's books, autobiography, essay and other types of writing that express creativity and to make them acquainted with basic concepts in literary writing.

The classes were taken by Dr. Ashish Sharma and Prof. Jharna Patel. After the completion of the program MCQ based exam was taken to examine the progress of the students and after that the certificates were distributed to all the students who appeared in the exam. In this way this course was proved to be very effective and useful for the students.

### **Name of the Value-Added Program: Basic Learning of Computer**

**Session: 2020-21**

### **SUMMARY**

The Value Added program has been conducted by the Department of Physics / Electronics as per the order given by the Principal of D. P. Vipra college on 01.02.2021. The name of this program is "Basic Learning of Computer". The students of M.sc physics and B.Sc. III participated in the said program. The objective of this program is to make the student an important part of the syllabus of competitive examinations, physics and electronics. The preparation for Basic Learning of Computer is to be done so that the student can get the best position by passing the competitive examination. The duration of the said program was 17 days (32 Hrs.).

The said program was conducted by Dr. Vivek Ambalkar and Prof. Nidhish Choubey and the work of teaching in the above program was accomplished by Prof. Bhagwat Kaushik, Prof. Sapna Mishra, Prof. Varsha Rani Dubey.

After the completion of the course under the program, the registered students were assessed through project (Assignment). At the end of the said program, the registered students were given certificates. The said program has achieved its definite and targeted objective.

1. The output shown on the computer monitor is called
  - a) VDU
  - b) Hard copy
  - c) Soft copy
  - d) Screen copy
2. Eight bits make up a
  - a) Byte
  - b) Megabyte
  - c) kilobyte
  - d) none
3. Which one is the result of the output given by a computer
  - a) Data
  - b) Instruction
  - c) Information
  - d) Excursion
4. Which one of these also known as read/write memory ?
  - a) Rom
  - b) Ram
  - c) DVD
  - d) Hard disk
5. The printed output from a computer is called
  - a) Copy
  - b) Softcopy
  - c) Hard copy
  - d) paper
6. Name of the screen that recognizes touch input is
  - a) Recog screen
  - b) Point screen
  - c) Touch screen
  - d) Android screen

7. computer monitor is also known as

- a) DVU
- b) UVD
- c) VDU
- d) CCTV

8. which one of these storage more data than a DVD

- a) CD Rom
- b) Floppy
- c) Blue ray disk
- d) Red ray disk

9. What is smallest unit of the information?

- a) A bit
- b) A byte
- c) A block
- d) A nibble

10. How is the data stored on the diskette?

- a) Ink
- b) Laser bubbles
- c) Magnetism
- d) Circuits

11. Which of the following is an output device?

- a) Keyboard
- b) Mouse
- c) Light pen
- d) VDU

12. Which of the following is an input device?

- a) Plotter
- b) Printer
- c) VDU
- d) Mouse

13. Which of the following is the extension of notepad?

- a) .txt
- b) .xls
- c) .ppt
- d) .bmp

14. BIOS is used?

- a).By operating system
- b) By compiler
- c) By interpreter
- d) By application software

15. -----consists of set instruction

- a) Software
- b) Hardware
- c) Program
- d) None of this

16. -----is volatile memory

- a) ROM
- b) EPROM
- c) RAM
- d) None

17. ALU is part of memory

- a) True
- b) False

18. Who is the father of computer?

- a) Allen Turing
- b) Simur Cray
- c) Charles Babbage
- d) Augusta Adaming

19. The program that run on a computer are referred to as

- a) Hardware
- b) Software
- c) File ware
- d) Soft firm

20. which of the following is the smallest visual element on a video monitor?

- a) Character
- b) Fixel
- c) Byte
- d) Bit

21. The process of producing useful information for the user is called

- a) Controlling
- b) Outputting
- c) Imputing
- d) Processing

22. A detailed flow chart

- a) Stack
- b) Macro
- c) Micro
- d) union

23. Actual instruction in flow charting are represented in

- a. Circle
- b. Boxes
- c. Arrow
- d. Lines

24. The Process of drawing a flow chart for a logarithm is called

- a) Algorithm
- b) Performance
- c) Evaluation
- d) Flow chart

25. In computer science algorithm refers to a pictorial representation of a flow chart

- a) True
- b) False

**-A HANDS ON APPROACH**

It is hereby informed to the all students that Department of Computer Science is organizing an Online Value Added Program in "Mobile-First Website Development Using Bootstrap-A Hands on Approach" from 24/03/2021.

Interested students can register from 17/03/2021 to 22/03/2021. If you have any query regarding this program then contact Prof. Vishwas Victor, Head, Department of Computer Science.

**Mode of examination** : MCQs Based Exam

**Objective of the Program** : The objective of this program is to provide the necessary knowledge to design and develop dynamic, database-driven, mobile-first web applications using bootstrap and PHP. Students will learn and perform hands on practice with a MySQL database to create database-driven bootstrap forms and reports etc. Students will also learn how to configure PHP and Apache Web Server. Comprehensive lab exercises will provide facilitated hands on practice, crucial to develop competence and mobile-first websites.

All students will be able to develop the concepts on mobile-first web designing using server-side scripting language PHP and database as MySQL in this program.

**Note:** E-certificate will be provided to the qualified participants after successful completion of the program.

**SUMMARY**

One Online value added Program on the topic "Mobile-first Website Development using Bootstrap-A Hands on Approach" was organized by the Department of Computer Science, D. P. Vipra College from 24.03.2021 to 12.05.2021 which was the period of total 36 days and 36 hours. The program was conducted by Prof. Vishwas Victor, Head of the Department. The teaching for this program was done by faculty members, namely Prof. Vishwas Victor, Prof. Richa Handa, Prof. Anupama Pandey, Prof. Brijesh Kumar and Prof. Ishwar Suryawanshi. The total strength of the students who got registered for this program was 245. The students who participated were from B.Sc. (C.S.) III-year, B. C. A. III year and M.Sc. (C.S.) I and III.

The main purpose of this program was to train the students in such a manner that they will be able to apply their knowledge to the creation of dynamic mobile-first web applications. In the end of the training session one internal assessment was arranged to evaluate the students which was based on MCQ's. And at last, certificates were issued and distributed to all the participants.
