The only reason for this is not telling the teachers properly and not getting the right information in the college website. And there are many reasons which should be need improvement. As the name of the students information was not required while filling the same form.

A lecture on "**Molecular Orbital Theory**" is organized by department of Chemistry in collaboration with IQAC. Dr. Priti Mishra, Head, Research & Development Cell, D.L.S. P.G. College, Bilaspur was invited as an expert for this lecture. She explains about molecular orbital theory (MO theory or MOT) using quantum mechanics. She describes to students that Molecular orbital theory revolutionized the study of chemical bonding by approximating the states of bonded electrons—the molecular orbitals—as linear combinations of atomic orbitals (LCAO). She also explains about types of orbitals.

Ref. No. / /---9---/2017 Bilaspur, Date 10.12.2017

Academic Year: 2017-18

Activity	: A Lecture on "**Basic Introduction of Photo Chemistry**"
Participants Count	: 61 Students, 09 Teachers
Date of Activity	: 10.12.2017
Place	: Smart Class
Objective	: To understands about Photochemistry with the chemical effects of light.
Outcome	: Students are able to understand about basics of Photo Chemistry, its types.

A lecture on "**Basic Introduction of Photo Chemistry**" is organized by department of Chemistry in collaboration with IQAC. Dr. Priti Mishra, Head, Research & Development Cell, D.L.S. P.G. College, Bilaspur was invited as an expert for this lecture. She explains that Photochemistry is the branch of chemistry concerned with the chemical effects of light and used to describe a chemical reaction caused by absorption of ultraviolet (wavelength from 100 to 400 nm), visible light (400–750 nm) or infrared radiation. She also elaborate that Photochemistry is destructive (where irreparable damage is done, and the process cannot be reversed), and offers a wider scope than thermal reactions. Photochemical reactions can be caused by the absorption and processing of visible, infrared or ultraviolet light.

Activity : Guest Lecture on "Botany in Relation to Mankind"
Date : 20 November 2018
Place : Smart Class 1
Resource Person : Dr. N.K. Singh
No. of Participants : 53
Objective :. The main objective of this lecture is to make the students aware about the relationship between Botany and mankind.

Brief Report

Department of Botany and I.Q.A.C. of D.P. Vipra College has organized one day Guest Lecture in topic "Botany in Relation to Mankind" on 20 November 2018. Dr. N.K. Singh was invited as a resource person from Department of Botany, Sant Shiromani Guru Ravidas Govt. College, Sargaon, Dist-Mungeli (C.G.).Dr. Singh has explained how botany and mankind is related? He explained that, the very existence of man and all animals is dependent on plants. The dependence is not only for food, clothes and shelter but is also for medicines and other applied areas. He further elaborate that Many domesticated plants cannot survive in nature without human assistance. On the other hand, the survival and prosperity of the human population of the world absolutely depends upon the performance of the main domesticates.

Outcome: Students are able to understand that, though various synthetic replacements are available for plants but they still occupy an important position in man's life and we have to preserve trees and plants as they contribute directly to environment to make our existence.

Activity : A Lecture on **"Water Pollution"**
Participants Count : 65 (Students & Teachers)
Date of Activity : 22.12.2018
Place : Smart Class
Objective : The main purpose of water pollution monitoring is to monitor the water pollution of water areas.
Outcome : Students learnt to stand up for water and speak out in support of the Clean Water Rule.

A lecture on "Water Pollution" is organized by Department of Chemistry in collaboration with IQAC. Mandvi Namdeo, Assistant Professor, Department of Chemistry, P.N.S. College, Bilaspur (C.G.) was invited as an expert for this lecture. She explained about the Clean Water Rule and water pollution is the contamination of water sources by substances which make the water unusable for drinking, cooking, cleaning, swimming, and other activities. Pollutants include chemicals, trash, bacteria, and parasites. All forms of pollution eventually make their way to water. Land pollution can seep into an underground stream, then to a river, and finally to the ocean. Thus, waste dumped in a vacant lot can eventually pollute a water supply.

विषय- TISS-NUSSO पाठ्यक्रम सत्र 2019-20 की फीस TISS को प्रदान करने बाबत।

महोदया,

सादर विदित होवे कि महाविद्यालय में सत्र 2019-20 में TISS-NUSSO पाठ्यक्रम में PGDCA, M.Sc Chemistry IV Sem. और M.Sc. Zoology IV Sem. के छात्र-छात्राओं को Enroll किया गया था, जिसकी 1000/- रु फीस छात्र-छात्राओं की Tuition fees में जोड़कर महाविद्यालय में जमा करा लिया गया था। TISS-NUSSO द्वारा प्राप्त पत्र NUSSO-OW/02/2021/01 दिनांक 26-02-2021 द्वारा Enrollment fees माँगा गया है. पत्र संलग्न है।

अतः आपसे निवेदन है कि उपरोक्त विषय के लिए अनुमति प्रदान करते हुए, TISS को Enrollment fees भुगतान करने का कष्ट करें।

धन्यवाद।

Dear Madam,

Greeting!

As you are aware, TISS-NUSSD charges a nominal course fee from students to make students accountable and to ensure their commitment to complete the course. The course fee collected from the students' in the AY 2019-20 course needs to be remitted to TISS for the students who had enrolled in the Diploma programmes offered by TISS-NUSSD. Request you to remit the total amount collected from the students of AY 2019-20 and as agreed in the MoU, TISS will deposit 7 .5 percent of the total amount in the college account. Total amount collected for course registration in AY 2019-20 to be remitted to TISS. The calculations are as given below for the batches whose fees needs to be remitted:

AY 2019-20

Total fees collected from Batch1	: Rs.62,000 (Total Students = 62)
Total fees collected from Batch2	: Rs.54,000 (Total Students = 54)
Students in online Batches	: Rs.4,000 (Total Students = 4)
Total fees collected	: Rs.1,20,000/-
Fees paid directly to TISS	: Rs. 5,000 *(Total 5 students have paid fees directly to TISS)*
Fees to be remitted to NUSSD-TISS	**: Rs.1,15,000/-**
College's share of fees	: Rs.9,000**

***(This amount will be deposited by TISS into college account)**

We request your kind co-operation in getting the fees remitted to TISS account. We look forward with anticipation for our collaboration to bear fruit in the shape of your students taking greater strides in their future.
Enclosed the NUSSD TISS account details along with the letter for fees remittance.
Please find enclosed the list of enrolled students.

पत्र क्र./ /...9...../2019 बिलासपुर, दिनांक 19.10.2019

शैक्षणिक वर्ष : 2019–20

गतिविधि : **"अनुवाद एवं उनके प्रकार" पर व्याख्यान**

प्रतिभागियों की संख्या : 64

गतिविधि की तिथि : 19.10.2019

स्थान : स्मार्ट कक्ष

उद्देश्य : दूसरी भाषा के साहित्य से अपनी भाषा के साहित्य को समृद्ध कर सकने में अनुवाद का महत्वपूर्ण योगदान है।

परिणाम : अनुवाद के द्वारा अपने साहित्य को समृद्ध करना।

आई. क्यु. ए. सी. के सहयोग से हिंदी विभाग द्वारा "अनुवाद एवं उनके प्रकार" पर एक दिवसीय व्याख्यान का आयोजन किया गया। अल्का यादव, सहायक प्राध्यापक, हिंदी विभाग, पी. एन. एस. महाविद्यालय, बिलासपुर (छ.ग.) को इस कार्यशाला में विशेषज्ञ के रूप में आमंत्रित किया गया था। उन्होंने बताया कि हमारे जीवन में साहित्य का विशेष महत्व है, एवं दूसरी भाषा के साहित्य को यदि हिंदी भाषा में अनुवाद किया जाय तो हमारे विचार तो समृद्ध होते ही है, साथ ही साथ हिंदी भाषा का साहित्य भी समृद्ध हो जाता है। उसके साथ ही उन्होंने बताया कि अनुवादित साहित्य को समझना एवं धारण करना आसान हो जाता है। इस व्याख्यान में महाविद्यालय के हिंदी विभाग के प्राध्यापकों एवं विद्यार्थियों ने अपनी उपस्थिति दर्ज कराई।

BRIEF REPORT OF THE WORKSHOP

The Three Day International Workshop on "PHP AND MYSQL PROGRAMMING TOOLS" has been organized by Department of Information Technology & Computer Science with IQAC, Dr. C.V.Raman University, Kota, Bilaspur (C.G.) from 10-12-2019 to 12-12-2019.

The main objective of this workshop is to provide training to students, researchers and teachers in PHP and MySQL programming tools so that they can develop the necessary skills and better understanding for application development using these tools.

This three day workshop was divided into 6 differenet sessions. Two sessions were held on each day. The inspiration for organizing this workshop was received from Mr. Santosh Choubey (Chancellor), Prof. R. P. Dubey (Vice Chancellor) and Mr. Gaurav Shukla (Registrar) of Dr. C.V.Raman University, Bilaspur (C.G.). Miss Richa Handa, Assistant Professor, DP VIPRA PG College, Bilaspur (C.G.) was invited as resource person for this workshop. This workshop has been directed by Dr. Manish Upadhyay, Principal, Dr. C. V. Raman Institute of Science & Technology of this university. Dr. Ragini shukla was the convenor and Mr. Abhinav Shukla co-convenor of this workshop. Mr. Ayush Agrawal, was the chief-coordiantor of this workshop

The first session of the workshop was inaugural session. This workshop has been inaugurated by Prof. R.P. Dubey, Honorable Vice Chancellor Dr. C.V.Raman University, Bilaspur (C.G.). Dr. Manish Upadhyay, Principal, Dr. C. V. Raman Institute of Science & Technology and Mr. Gaurav Shukla, Registrar, Dr. C.V.Raman University, Kota, Bilaspur (C.G.) were presents as special guest in the workshop. All the faculty members from IT Department, Miss Richa Handa and all the participants were present in the inaugural session of the workshop. A total of 90 students were participated in this workshop. In his presidential address, Prof. Dubey said that India is at the top position in the world in terms of IT industry and services. To get employment in this field, students must have IT based skills. Dr. Manish Upadhyay said that in IT courses, training of programming skills must be given so that along with the completion of the course, students can be ready for employment. The Registrar of the University, Mr. Gaurav Shukla said IT students must be proficient in at least one programming language so that they can easily get employment in the field of IT indusries.

In the second session of the workshop, Miss Richa Handa present was welcomed by Dr. Ragini Shukla. The objective of this session was to introduce the participants to the basic concepts of the PHP & MySQL. Ms. Richa Handa mentioned the outline of his lecture. Ms. Handa first defines what PHP & MySQL is and why they are used. After this, she explained the various features and benefits of PHP and MySQL Programming Tools to develop Application Softwares. She suggested some tools on which the participants can not only learn PHP and MySQL Programming but through these they can also build web based applications within limited time. Ms. Handa explained how to install PHP and MySQL on a computer.

In the 3rd session of the workshop, Miss Richa Handa describes basic concepts of PHP like-variables, datatypes, ECHO/PRINT, string, number, math, syntax, constant, operators, etc with suitable examples. After that, she explains braching, looping statements in PHP. She also discuesses Functions, Array, RegEx and PHP superglobals. Miss Richa Handa mentined Form handling, Form Validation Form Required, Form E-Mail/URL, etc in PHP. After that, she described advanced concepts of PHP in details.

The 4th session of the workshop Miss Richa Handa describes the basic concepts of MySQL. She explains the database concepts briefly. Miss Handa also discusses, how databases are created using MySQL. In this session, Miss Handa demonstrates the procedure to connect PHP interface with MySQL database.

The 5th session of the workshop was technical & experimental session. All the participants were devieded into group of 5 students. Thus a total of 18 groups were formed. Each group was given an assignment of connecting a PHP webpage to MySQL database. Each project was evaluated by Miss Handa. After this, each group was given a grade on the basis of their performance. During this session, many questions were asked by the participants to the expert. She also satisfied by answering all the questions.

The 6th and last session of the workshop was valedictory session. Prof. R.P. Dubey, Dr. Manish Upadhyay, and Mr. Gaurav Shukla, Miss Handa, faculty member of IT department and all the participants were presents in the valedictory session. Dr. Ragini Shukla presented the report of the workshop. Prof. Dubey said that similar workshops should be organized in future. Prof. Upadhyay appreciated the organizing committee and the university administration for the success of the workshop. Mr. Gaurav Shukla assured to provide as much help as possible for organizing such workshops in future. After this, certificates were distributed to all the participants by the chief guest and best wishes for their bright future. At the end of the session, Mr. Rahul Pandey, Assistant Professor, IT Department expressed gratitude to all the guests, expert committee, faculty members and participants of the workshop. He also thanked the people who indirectly helped in making the workshop a success.

Activity	: A Lecture on "**Indian Geography**"
Participants Count	: 75 (Students & Teachers)
Date of Activity	: 21.12.2019
Place	: Smart Class
Objective	: To make the students learn what topic must be read regarding Indian Geography for various competitive exams.
Outcome	: Students learnt how the study of Indian Geography helps in various competitive exams.

A lecture on "Indian Geography" is organized by Department of Geography in collaboration with IQAC. Mr. Govind Rathore, Gurukul IAS Academy, Bilaspur (C.G.) was invited as an expert for this lecture. He explained that Indian Geography is a key subject for various competitive examinations. Geography as a subject is dynamic and diverse and its relevance cannot be ignored for many competitive exams like UPSC, CGPSC, etc. It is also important to know about the natural resources of a country like the rivers, the proximity of rich coal mines and iron fields, and the temperate climate for the economic development.

A lecture on "Tools and Techniques of MAYA" is organized by Department of Computer Science in collaboration with IQAC. Mr. Jai Prakash Patel, Assistant Professor, Department of Information Technology, MATS University, Raipur (C.G.) was invited as an expert for this lecture. He explained, Maya is a 3D computer Graphic Application which is used in the development of video games, 3D applications, animated films, TV series, and any visual effects. This software can create heavy models, which help us give Ultra 3D effects that create a realistic view at the user end. He also explained the complete name is Autodesk Maya, but it is shortened to "Maya". This software was previously created by "Alias Systems Corporation", but Autodesk took all rights under its name. It runs on Windows, MAC OS, and Linux as well.

Brief Report

The Department of commerce organized a collaborative activity with students as an online lecture delivered by Dr. Jabir Hussain of C.V. Raman University, Kota, Bilaspur (C.G.) on the topic "**The Impact of Covid 19 on Economy of India**" .In his lecture Dr. Hussain emphasized that the impact of coronavirus pandemic on India has been largely disruptive in terms of economic activity as well as a loss of human lives.

He further described about online food grocery platforms, which heavily affected due to unclear restrictions on movements and stoppage of logistics vehicles. RBI and Finance Minister announced measures that will help the industry and the employees in the short term. Aviation and Tourism were the first industries that hit significantly by the pandemic.

Outcome: Students get aware about impact of COVID19 in Indian economy as well as in other fields like, food, grocery, industries etc.

Brief Report

Mr. Dileep Sinha, Branch Manager, Central Bank of India, Bilaspur (C.G.) was invited as resource person for online lecture on **"Impact of GST in Indian Economy"** organized by Department of Management at D. P. Vipra College, Bilaspur (CG). In this Collaborative activity, 196 students had actively connected and attended this online lecture through Google Meet. Mr. Dileep Sinha discussed about the challenges came while introducing GST in India. He discussed that GST provide the much needed stimulant for economic growth in India by transforming the existing basis of indirect taxation towards free flow of goods and services within the economy and also eliminating the cascading effect of tax on tax. He further described that GST the biggest tax reform in India founded on the notion of "one nation, one market, one tax" is finally here. He discussed about the future perspectives of GST in Indian economy.

Outcome: Participants aware about the GST and its role in Indian economy and understands that GST will become good and simple, only when the entire country works as a whole towards making it successful.
